

Kettering Radio Control Model Car Club

www.ketteringmcc.co.uk

**Have you got a radio controlled car?
Fed up with running it in the street?
Or, are you simply thinking of buying one?**

Well...Kettering Radio Control Model Car Club races 1/10th scale radio controlled cars every Friday evening at the William Knibb Centre in Alfred Street, Kettering, 7pm-10pm. All you need is a car and batteries and you are ready to go! We have members whose ability ranges from starter to very experienced, and you'll find strong competition at every level.

We race on special "PermaTrack" carpet, which gives the cars plenty of grip, and we also use electronic timing equipment which counts your laps each time you pass over the start/finish line.

The club has a very friendly atmosphere and welcomes drivers of all ability and with any make of 1/10th scale car, and we also have a special class of racing for Tamiya Mini's, which is great fun, so why not come along and take a look!

Weekly Race Fees:

Members £4 Non-members £5

Annual Membership Fee:

£6 per year (which includes £11 membership to the BRCA)

For more information, visit the club website, or come along on a Friday and talk to Dave.

Directions to the William Knibb Centre can be found on our web-site www.ketteringmcc.co.uk
